Manager's Viewpoint

I should like to start my column this week by thanking our travelling fans for our excellent support both at Northampton and Colchester. Northampton, being a local derby, always attracts good support and especially so last Saturday with plenty of vocal encouragement. I am sure that those of you that witnessed the game at the County Ground will be of the same opinion as myself, in the fact that we deserved far more than we came away with at the end of the day.

Having lost two games on the trot, Sheffield United and Northampton Town, we knew that we had to come back with something from Colchester on Tuesday night. Although there were five or six names taken during the match (not all on our side) I thought, apart from one incident, the game was an excellent advertisement for Fourth Division football. Again we took our loyal band of supporters down to Layer Road although their gate was disappointing with only 2,212 watching the game.

Our young reserve side have done extremely well to get through to the final of the Mid Week League Cup. The Final is played on a two leg basis and we meet Miliwall, who were strong contenders for the Mid Week League Title but have been pipped by Charlton Athletic, both at the Den and here at London Road. The average age of my reserve side is 18 to 19 so it is encouraging to see them do so well against strong opposition. The 1st leg will have been played on Thursday down at Millwall and we meet them in the 2nd leg at London Road on Monday 17th May, kick off 7.30 pm.

We must now carry on our improved form against Wigan at London Road here today. Our visitors, as you know, are up there amongst the top placings with ourselves so obviously it is an important and vital game for both Clubs.

OUR VISITORS

WIGAN

JOHN BROWN (Goalkeeper) Height 5ft 11ins. Weight 12st.7lbs. Bradford born John was an apprentice joiner before he stepped into League Football with Preston at 17. His progress at Deepdale was hindered by the reliable Eire international, Alan Kelly, and after spending 11 years with North End, he was released in 1975. He then had one season with Stockport County before joining Wigan Athletic, for whom he has been a most reliable and efficient goalkeeper at both non-league and Football League levels. Wigan's Player of the Year in 1979-1980. John has over 200 Football League appearances to his credit.

JOHN MCMAHON (Fullback) Height 5ft 9in. Weight 11st. 2lbs. Newly acquired from Crewe Alexandra during the close season, John has already featured prominently in Wigan's pre-season friendly fixtures. His experience gained with Preston North End and other Football League clubs has brought a more professional look to Wigan's Back Four and his polished skills and keen positional sense have earned the praise of Wigan's critical fans. John has well over 300 Football League appearances to his credit and is expected to be a key figure in the Springfield Park clubs push for promotion.

LARRY LLOYD (Central Defender/Player Manager) Height 6ft 2in. Weight 13 stones. Appointed in the second half of last season as player/manager, this battle hardened English international has already brought a more professional approach to the play of the side under his control. A fierce competitor, with over 400 Football League games to his credit, and a wealth of experience acquired with Bristol Rovers, Liverpool, Coventry City and Nottingham Forest, Larry Lloyd expects great things this year. Certainly, he will produce a side that will be hard to beat and may yet achieve the promotion so earnestly longed for.

COLIN METHVEN (Central Defender) Height 6ft 1in. Weight 12st 4lb. Manager Ian McNeill's deep knowledge of Scottish football enabled him to search out this strong and positive player who became Wigan's record signing at a fee of £30,000 from East Fife in October, 1979. It was soon obvious that the money had been well-spent, for Colin, good in the air and strong in the tackle, soon took over as Captain of the Wigan side and led his men to glory in Wigan's great F.A. Cup run, Season 1979-80. Another key figure in Wigan's defensive organisation.

Back Row (Left to Right) Banks (Trainer) Bradd, McAdam, Davids, Barrow, Houghton, Tunks, Brown, Ward, Methven, Quinn, Cribley, Urquhart, McNally (Scout). Second Row (Left to Right) McMahon, Sheldon, Wignall, Glenn, Lloyd (Manager) Lawler, (Asst. Mgr) O'Keefe, Weston, Evans, Wright. Front Row (Left to Right) Butler, Langley, Aspinall, Hatton.

ALEX CRIBLEY (Midfield) Height 5ft 11in. Weight. 12 st 9lbs. After considerable Central League experience, with Liverpool Football Club, Alex joined Wigan Athletic at the end of October, 1980, and then proceeded to play every game through to the end of the season. A determined customer, who is equally at home in the Back Four as he is in midfield. Very popular with the Wigan fans, who appreciate the fact that he always gives 100 per cent effort.

GRAHAM BARROW (Midfield) Height 6ft 2in Weight 13 st. Another close-season signing from Alliance Premier League side, Altrincham. A strong, aggressive player, who, once he adjusts to the demands of full-time football, should prove an asset as Wigan Athletic set their stall out to gain promotion.

DAVID GLENN (Winger) Height 5ft 9in. Weight 10st 10lbs. Wigan Athletic's first apprentice after their elevation to the Football League, local boy David has been the revelation of the pre-season games. Not only has this talented youngster performed well in his customary wing role, but he has also turned in excellent performances in the left-back position against both Walsall and Sheffield Wednesday. More will be heard of this promising player in the months ahead.

MIKE QUINN (Forward) Height 5ft 10in. Weight 12 st. After battling his way through from the Wigan Athletic Youth XI and the Reserves, Mike made his mark as the Club's leading goal-scorer in the 1980-81 Football League campaign. He has gone from strength to strength in the pre-season games, notching double figures against a variety of opposition from non-league to Football League Division 1 levels. If he can maintain momentum, this strong, bustling youngster is sure to attract the interest of clubs higher up the Football League scale in the months ahead.

LES BRADD (Forward) Height 6ft 1in. Weight 13st. 3lb. A player of vast experience, with over 500 Football League appearances and more than 150 goals, Les is expected to bring all the knowledge acquired at Rotherham United, Notts County and Stockport County to the Wigan Athletic attack. Capable also of quality performances at the back of the defence, this seasoned player could prove to be the shrewdest of manager Larry Lloyd's close-season signings. He is expected to bring the best out of the young players around him.

PETER HOUGHTON (Forward) Height 5ft 11in Weight 12st 7lbs. After showing a great deal of promise in Wigan Athletic's first two seasons in League Football, Peter struggled last year against a series of niggling injuries and inconsistent form. However, towards the end of last year's campaign, he began to hit something near his top form, his goal touch returned, and, supported by Quinn and Bradd, he should be back among the goals again this season. On his day, a really exciting attacker.

JEFF WRIGHT (Midfield) Height 5ft 11ins. Weight 11st. 7lbs. This hard working and skilful midfield player has appeared more times for Wigan Athletic as a Football League player than any other player currently on the books of the club.

The Omega/Variety Club Team of the Month for March has been unanimously awarded to Tottenham Hotspurs by the Variety Club panel. Treble chasing Spurs have entertained consistently throughout the season, a view expressed by Bobby Charlton, when the Variety Club panel met to decide the Team of the Month for March.

The presentation of the award took place on Saturday, 24th April at White Hart Lane, prior to the Spurs match against Notts County. The presentation made by Suzanne Danielle to manager Keith Burkinshaw with replica mementoes going to each player. VIDEO FILMS HELP PROMOTION DRIVE!

One wonders what a *Driving School* and a *Football League Club* might have in common? This could pose a problem until video recordings are mentioned - because that is the answer. Rick Lockyer, the proprietor of the Paston Driving School video films all the Posh home matches from the Manager's Box for Posh boss, Peter Morris. Not only does he consider himself lucky to be getting such an exclusive view of the games but feels honoured to be able to contribute in such a worthwhile way to Posh's bid for Promotion. Since moving to Peterborough five years ago Rick has been an avid fan and season ticket holder. He uses the video recorder whilst teaching his driving pupils and he hopes that Video will prove to be a boon for both Peterborough United Football Club and Paston Driving School in the new season.

HELPING THE DISABLED

Football is doing more and more for disabled fans. For example, Barnsley have built a splendid new enclosure, and the Grimsby Town Handicapped Supporters Club continues to flourish in an almost unique way. Grimsby take a coach-load of handicapped supporters to nearly every away game even though trips to London rarely return them to Humberstone until the early hours of Sunday morning. Mr Bob Jones, chairman of the club, says modestly: "The club was formed at the beginning of last season when we visited 14 away grounds, and we've done even better this time. "We have to travel by coach of course. Usually we take between 14 and 20 disabled between the ages of 12 and the middle thirties, and some two dozen helpers. All we charge them is £2 per head, so we make a loss on almost every trip. How do we make up the difference? Grimsby's players and management are among our keenest supporters. They regularly turn up to all the fund-raising functions we organise. They look upon it as a return for the support our disabled fans give them at Blundell Park and elsewhere.

I ring up the next visiting club about a fortnight before the match to arrange tickets and smooth out any obvious problems about getting into the ground and, usually, they are all marvellously co-operative. Cambridge United, for instance, are magnificent. They have the smallest ground in the League but insisted that we were their guests. And Orient, when Grimsby's match at Charlton was called off, accommodated us at the last minute".

Secretary of the Grimsby club is Mrs Daphne Farquahson, whose husband died while pushing his disabled son, in his wheel-chair, towards Blundell Park. "She does all the work", says Mr Jones, "and gets very little of the glory".

Football League Information Office.

POSH HELPING THE DISABLED

Here at London Road we have always done our best to help disabled supporters. Offering discount on ground facilities and in the stand on Season Tickets. It must be remembered that the Stand was not designed for disabled people and it is, therefore, better for people in wheelchairs to use the special area at the corner of the ground between Moyes End and Moyes End Enclosure. We also offer favourable discount to disabled visitors in this area. It is recommended that people arrive early and have someone to help them to get in and out of the ground.

TOUGH AT THE TOP

by Paul Richardson, Evening Telegraph

Are Wigan finding the pressure of being leaders of Division Four too much? That's the big question as the Latics arrive at London Road today. Wigan, who according to Peterborough manager Peter Morris "steamrollered" his side into a 5-0 defeat in January, have lead the table for three months. But their form in recent weeks has not been what it was and manager Larry Lloyd will need to call on all his experience to keep them on the right course. He has only one serious injury doubt or this afternoon's match; that is to full back David Glenn. But Lloyd, who has used several players this season, will not be too worried about that. He has proved in the past that he can bring in players without disrupting matters too much. Lloyd, who had long spells at Liverpool and under Brian Clough at Nottingham Forest has banked heavily on experience to get Wigan out of Division Four for the first time. As well as his powerful presence in the back four, he has called upon Roy Tunks to take over in goal and Les Bradd to spearhead the forward line. Bradd, the former Notts County centre forward, is Wigan top scorer with 18 goals, but three other players are also in double figures.

One notable addition to the Springfield Park set up is former Everton midfielder star Eamonn O'Keefe, who cost £65,000. O'Keefe did not play against Rochdale on Saturday when Wigan could only draw, but he is sure to be back in action today. While Wigan and Posh battle it out, the other three clubs in the promotion race have what appear to be much easier fixtures. Bradford travel to lowly Rochdale, while Sheffield United go to bottom club Crewe. Bournemouth have a home game with Hull, but then face two tough trips to Wigan and Bradford.

MITRE MATCH BALL PRESENTATION
